

Hearth Of The Ancestors

**Gathering with Vav Simon
Sunday July 17th, 9am – 6pm in Ryde**

Where do you sit in your family group?

Are you a mother, father, sister, child, aunt, brother, grandparent, uncle, son or daughter?

Where do you sit in your ancestral line?

Only a 150 generations takes us back around 3000 years when our lands were still and tribal and priests and seers guided the people. Nature was respected and seen through less arrogant eyes.

Beyond the Boundaries of Everyday Life

At this Gathering we will tend our fires and sound our drums and voices to stir the shades of our ancestors. We will ask for their aid...
